June-2023

- you visit the website you can see the image gallery.
- There have a section with category tabs so you can shop by category from there .
- In shop by category tab there have some product as card , and have view details button.
- View details button can show details of product if you logged in , other wish it will navigate you to Login page.
- All toys page you can see All toy items there , But you should be login first to view details.Received a Web Design award for Reallygreatsite website that was designed earlier
- You can see the products which is added only by you from my toys page . this website you can maintain your shop, like you can add items there , and you can delete if needed.

Art School
